MAHEKAL BEACH RESORT, PLAYA DEL CARMEN

The Riviera Maya section of Mexico has always been one of our favorite destinations, and at the Mahekal Beach Resort, we've found a little gem. This Mayan-style resort with palapa-style bungalows is just steps from the beach and only minutes from the energy and nightlife of Playa Del Carmen's Fifth Avenue. There's also an oceanfront pool, the Revive Spa, an on-site dive center, private plunge pools, personal hammocks, tropical gardens, four restaurants, two bars and complimentary breakfast. It's the perfect honeymoon hideaway. Rates start at \$215 per night. mahekalbeachresort.com.
